# Serge Ferrari Soltis 96

Blocks up to 96% of UV rays and reduces heat buildup. Micro-perforations naturally regulate air flow for enhanced comfort.

100% UV-resistant colors guaranteed for 10 years, even in extreme sunlight.

Easy cleaning. Simply rinse with water or use mild soap. Dries quickly and resists dirt.

4x

**MORE RESISTANCE**

then standard products

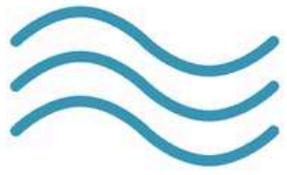

The Soltis 96 fabric's resistance delivers longer durability to provide you with better performance over a longer period of time

2x

**THINNER**

then standard products

Reduced thickness for enhanced facade appearance and reduced bulk even with extended blind heights
